

DESCRIPTION

Tinted fungicidal and insecticidal woodstain protection and decoration, based on modified cellulose resins.

Very good adhesion, which enhances the vinage of wood, while keeping its natural appearance.

FIELD OF USE

COLORBOIS is a tinted fungicidal and insecticidal stain designed for the protection and embellishment of interior and exterior woods. Water repellent and microporous, it prevents water penetration while letting the wood breathe.

TECHNICAL CHARACTERISTICS

- Aspect : Matt on new or stripped wood.
- Colors: According to color chart.
- Spreading-rate : 10 to 12 m² / L.
- Density : 0,90 +/- 0.05 at 25°C .
- Viscosity : 20 +/- 5 sec CF4 at 25 °C.

SURFACE PREPARATION

The work must be done in accordance with standard NF DTU59.1 and will be carried out with the greatest care.

CONDITIONS AND METHODS OF APPLICATION

Colorbois can be applied with a brush, cloth or spray in one or two coats, depending on the intensity of the shade desired.

To finish with a brighter finish and protect the wood more, you must finish with 1 to 2 coats of cellulose varnish (V4 or V5), synthetic (V804) or Marine Varnish (V9).

Application limit: Do not apply on condensing or frozen substrates at temperatures below 5 °C, nor at relative humidity above 70%.

APPLICATION DETAILS OF USAGE

Thinner : D33.

DRYING TIME

Drying at 20 °C and 60% humidity:

*Dust free: 5 minutes.

*Dry: 30 min.

*Recoatible: After 1 hour.

STORAGE

The product can be stored for up to 2 years in good storage conditions away from sunlight and frost in its original closed packaging. It is nevertheless recommended to shake the product before use.

PACKAGING

750 ml.

HEALTH & SAFETY

Health and safety information and precautions for use are detailed in the safety data sheet N °111.

Edition : July 2020 by Colorado 07/20 (DC28 D).

N.B : The purpose of this technical data sheet is to provide information on the properties of our product. The information contained therein is based on our current knowledge of tests carried out with a constant concern for objectivity according to the conditions of use in accordance with standards or DTU in force; However, the information cannot replace an appropriate description and the state of the funds to be painted. This descriptive technical sheet cancels and replaces any sheet relating to the same product. The above technical data does not imply acceptance of the guarantees. Close the pot tightly after use. Help preserve the environment by not disposing of waste in the drains or household waste. Please return your empty jar to a recycling center. For your unused product, please contact your local authorities for information on disposal and collection.
