

DESCRIPTION

Thinner based on aliphatic hydrocarbons.

FIELD OF USE

Thinner for glycerophthalic paints and varnishes.

TECHNICAL CHARACTERISTICS

Aspect : Colorless liquid.
 Aromatic rate : Maximum 17%.
 Final boiling point : 201 °C.
 Density : 0,77 +/- 0,02 à 25°C.
 Flash point : $\geq 30^{\circ}\text{C}$.
 Auto-ignition temperature : 225°C à 280°C.
 Explosive limits (by volume% in air) :
 - Lower limit : 0.6 – 0.8 %.
 - Upper limit : 6 à 8 %.

APPLICATION PROPERTIES

Refer to the packaging or technical data sheet of the product to be diluted.

APPLICATION DETAILS OF USAGE

Refer to the advice provided for the product to be diluted.

STORAGE

The product can be stored for up to 2 years under good storage conditions away from sunlight and frost in its original closed packaging. However, it is recommended to shake the product before use. Depending on temperature, pressure and storage conditions, a part of product can be evaporated, 3 months after its date of implementation packaging.

PACKAGING

1L, 4.5L, 20L.

HEALTH & SAFETY

Health and safety information and precautions for use are detailed in the safety data sheet N° 79.

Edition : December 2022 by Colorado 12/22 (DC28 D).

N.B : The purpose of this technical data sheet is to provide information on the properties of our product. The information contained therein is based on our current knowledge of tests carried out with a constant concern for objectivity according to the conditions of use in accordance with standards or DTU in force; However, the information cannot replace an appropriate description and the state of the funds to be painted.

This descriptive technical sheet cancels and replaces any sheet relating to the same product. The above technical data does not imply acceptance of the guarantees. Close the pot tightly after use. Help preserve the environment by not disposing of waste in the drains or household waste. Please return your empty jar to a recycling center. For your unused product, please contact your local authorities for information on disposal and collection.

COLORADO is certified ISO 9001, ISO 14001 and ISO 45001
